Funds are raised!

While we have the trencher, we plan to drain the patio area and gravel it for picnic tables! We're asking anyone who can to come and help including those who can make coffee, cookies, sandwiches and snacks to come and join the fun! If you have any questions, call the church or Jon Baughman.

On Saturday, August 10th (All Day) we will meet at the church to not only patch and seal the cracks in our driveway but also begin trenching for the wire leading to the shelter house and on up to the cross!

God is Blessing us!

It's been a good summer so far with Summer Camp here, Beulah Beach Camp and a great Vacation Bible School. Income has also been better than most summers and with the donation of two storage units, we now have the space for the necessary classrooms for our Pre-school through 12th grade school!
